- 1. Desktop (1366x768)

Resolution: 1366x768

NOTES:

I chose this resolution to wireframe against based on most widely used browser dimensions for the latest 2020 data.

See: [https://www.w3schools.com/browsers/browsers\\_display.asp](https://www.w3schools.com/browsers/browsers_display.asp) for details

This wireframe is not meant to be a pixel perfect representation.
